

**Russell Kennedy  
Lawyers**

## Experts in Direct Selling Law

**We are legal advisors to the DSA and have acted for participants in the direct selling industry in Australia for over 40 years.**

Russell Kennedy have a comprehensive and practical understanding of all relevant Australian legal issues as they apply to direct sellers, including:

- Independent distributor contracts and policies
- Consumer law compliance and training
- Disputes and crisis management
- Tax and revenue law
- Electronic commerce
- Intellectual property protection
- Information privacy
- Therapeutic goods compliance

We offer a full range of legal services in the following areas:

- Business start-ups, mergers and acquisitions
- Business structures
- Disputes and litigation
- Regulatory investigations and audits
- Defamation
- Social media

- Employment and workplace relations
- Commercial advice and contract negotiations
- Commercial property sales, acquisitions and leasing
- International trade
- Estate planning and business succession
- Technology law
- Insolvency and insurance
