

Russell Kennedy
Lawyers

Experts in Direct Selling Law

We are legal advisors to the DSA and have acted for participants in the direct selling industry in Australia for over 40 years.

Russell Kennedy have a comprehensive and practical understanding of all relevant Australian legal issues as they apply to direct sellers, including:

- Independent distributor contracts and policies
- Consumer law compliance and training
- Disputes and crisis management
- Tax and revenue law
- Electronic commerce
- Intellectual property protection
- Information privacy
- Therapeutic goods compliance

We offer a full range of legal services in the following areas:

- Business start-ups, mergers and acquisitions
- Business structures
- Disputes and litigation
- Regulatory investigations and audits
- Defamation
- Social media

- Employment and workplace relations
- Commercial advice and contract negotiations
- Commercial property sales, acquisitions and leasing
- International trade
- Estate planning and business succession
- Technology law
- Banking and finance
- Insolvency and insurance
